DMK Wins Awards at The Skin Games 2017!

DMK Skin Co are delighted to announce that UK Director of Education, Susanne Williams, has won two awards at **The Skin Games 2017!**

Susanne was presented with the **Game Changer Industry Leader 2017** and the **Open Non-Medical Player of the Year 2017** awards.

Susanne flew out to San Ramon, California on 7th April for The Finals of The Skin Games 2017. She was interviewed about her case study by an expert panel of judges, competing against some of the best skin practitioners in the world.

In Susanne's Case Study, she treated Carlos' atrophic scar at her Advanced DMK Skin Clinic on Harley Street from November 2016 - January 2017. Carlos had been the victim of a terrible bike accident in London last year, which had left him with a deep scar across his left shoulder. In just eight DMK Skin treatments, Susanne has achieved amazing results using DMK Scar Revision techniques.
