DMK Success Story!

DMK Skin Co are delighted to announce that our UK Director of Education, Susanne Williams, has made it through to the Finals of *The Skin Games* USA!

For her Case Study, Susanne treated Carlos' atrophic scar at her Advanced DMK Skin Clinic on Harley Street from November 2016 - January 2017. Carlos had suffered a terrible bike accident in London last year, which left him with a deep scar across his left shoulder. In just eight DMK Skin treatments, Susanne has achieved amazing results using DMK Scar Revision techniques.

Susanne will be flying out to San Ramon, California in April for The Finals of *The Skin Games*, where she will face an Expert Panel of Judges to compete against the very best skin practitioners in the world.
